

Dancing into the Holidays!

Join us in kick starting the holidays with Living Windows December 4th and the Christmas Parade on December 5th! These events are a fun opportunity to show our holiday spirit and come together to proudly represent our studio with cheer throughout the community!

Students will start learning their living windows dances in class soon, and there will be a clinic on Nov. 21st for students to come and learn our Christmas Parade dances!

Calling All Parade Helpers!

If you would like to help us get stocked up on candy to pass out on the route, we would be so grateful! Sign up at the front desk to donate. Every little bit helps!

We are also looking for a truck and trailer for our youngest dancers and their parents to ride on so they can join the fun! If you have a truck or trailer, or know someone who might be willing to lend a hand, we would love to hear from you!

A Friendly Reminder!

A few things to remember as we enter this busy time of year!

- One of the best ways to stay caught up on all of the holiday festivities is to join our **Parent's Facebook Page!** It is updated regularly with all things fun and festive for students and parents to enjoy, as well as the latest class choreography videos to use for practicing at home! You can find it by visiting the front desk and scanning the QR code!
- Students and parents, please remember to keep all outfit changes in the dressing room so that we can keep our restroom open for bathroom breaks!
- We will be measuring students for recital costumes starting in November! To ensure that all of our beautiful costumes get delivered in plenty of time for recital, costume fees will be due before Thanksgiving break! Please keep in mind that placing one big order for costumes keeps things simple. Any costumes that are unpaid for before break will not be ordered until after, and could mean additional shipping charges, shipping dates that are too late, or costumes becoming unavailable.

*We dance for laughter, we dance for tears, we
dance for madness, we dance for fears, we
dance for hopes, we dance for screams, we are
the dancers, we create the dreams.*

PARENT OBSERVATION ETIQUETTE

We encourage parents to come in to class, giving the students a chance to perform their various class exercises. This can be very rewarding for students to welcome parents into their space and show how much they have grown and achieved. However, we must show respect toward their hard work by watching quietly and attentively. Our teachers will invite you into the room for the second half of class. Please wait in the lobby until that time. Phones are to be silenced and only used to snap the occasional photo of your child. We also ask that you refrain from posting any photos that include children other than your own without consent from that child's parents. Please limit the number of observers who come to class to 2 per student.
