To Whom It May Concern:

Magnolia Dance Studio is the newest home for dancers in Jefferson City and the surrounding area. Our programs provide this community with access to the industry's best training techniques with a focus on artistry, correct technique, body awareness, teamwork, and respect for all performing arts and artists.

My name is Jordan Beach Hall, founder of Magnolia Dance Studio. As a teacher and dance coach with 17+ years of experience, I have worked alongside my staff to develop new training programs that are not offered anywhere in the area. After an outstanding first year of dance, the students and myself are so excited for year two! Magnolia Competition Team is looking for the support of businesses and individuals in the community to help us reach our goals.

Magnolia Competition Team members are very dedicated and hardworking young people. They are trained not only in dance, but in life. At Magnolia Dance Studio we are dedicated to helping every student become the best dancer he/she wants to be. We believe hard work and dedication produces achievement. This is a lesson that will instill a discipline for students to carry into all endeavors in life. With a supportive and cooperative approach to training from students, parents, and staff, our dancers will grow into amazing humans.

Team members train in multiple dance styles year-round to prepare for dance competitions across Missouri, local performances, parades, and their annual recital. The fees for equipment, conventions, competitions, costumes, choreographers, travel, etc., add up quickly. Unfortunately, not every family has the financial ability to provide these opportunities for their child. Your yearly donation will help this dedicated team reach their goal and live their dream.

We hope you will consider supporting the efforts of Magnolia Competition Team. Your contribution will have a large impact on the lives of these extraordinarily talented and hardworking young people.

Dance education encompasses far more than technique and steps. At Magnolia Dance Studio, our goal is to educate the minds, bodies, and souls of our students to teach them the skills needed for a successful life, whether in the field of dance or not.
