To Whom It May Concern:

Magnolia Dance Studio is the newest home for dancers in Jefferson City and the surrounding area. Our programs provide this community with access to the industry's best training techniques with a focus on artistry, correct technique, body awareness, teamwork, and respect for all performing arts and artists.

My name is Jordan Beach Hall, founder of Magnolia Dance Studio. As a teacher and dance coach with 18+ years of experience, I have worked alongside my staff to develop new training programs that are not offered anywhere in the area. We are proud to be the only local studio bringing guest teachers from across the country right here to Jefferson City to provide unique learning opportunities for all local dancers. In the coming year, I am working to be able to provide scholarships for students wanting to attend dance who otherwise could not afford to do so. It is my passion to pass on the tradition and techniques of this beautiful art form, and the history behind it with the next generation.

Magnolia Competition Team members are very dedicated and hardworking young people. They are trained not only in dance, but in life. At Magnolia Dance Studio we are dedicated to helping every student become the best dancer he/she wants to be. We believe hard work and dedication produces achievement. This is a lesson that will instill a discipline for students to carry into all endeavors in life. With a supportive and cooperative approach to training from students, parents, and staff, our dancers will grow into amazing humans. Magnolia Competition Team is looking for the support of businesses and individuals in the community to help them reach their goals and seize every opportunity to learn.

Team members train in multiple dance styles year-round to prepare for dance competitions across Missouri and surrounding states, local performances, parades, and their annual recital. The fees for equipment, conventions, competitions, costumes, choreographers, travel, facilities, guest teachers etc., add up quickly. Unfortunately, not every family has the financial ability to provide these opportunities for their child. Your yearly donation will help this dedicated team reach their goals and live their dream.

I hope you will consider supporting the efforts of Magnolia Competition Team. Your contribution will have a large impact on the lives of these extraordinarily talented and hardworking young people.

Dance education encompasses far more than technique and steps. At Magnolia Dance Studio, our goal is to educate the minds, bodies, and souls of our students to teach them the skills needed for a successful life, whether in the field of dance or not.
