

# MAGNOLIA DANCE STUDIO

ESTD 2024

## JOIN OUR MAGNOLIA PARENTS FACEBOOK PAGE!

We are excited to have had lots of new students join us since our fall news letter was published and we are so pleased to welcome you! Recital dances are underway in all youth classes and practice videos are being posted in our private Magnolia Parents Facebook page. If you have not yet joined the parent page, please be sure to do so. We post updates and reminders there and all practice videos are accessible there as well. When posting a practice video, please be sure to label the video with the name of the class and date. It is also helpful to save the videos as they are posted so it's easier to find them when it's time to practice at home.

Cash, check, or debit/bank card is our preferred method of payment and will not require a surcharge. Please be patient with us as we all learn and become accustomed to the new system, thank you!

## **IMPORTANT RECITAL INFO**

With March tuition, our yearly recital fee will be charged to all students participating in spring recital.

The fee will be \$50 for the first student in each family and \$25 for each additional student.

## **PARENT OBSERVATION ETIQUETTE**

Parents are encouraged to come in to class, giving the students a chance to perform their various class exercises. This can be very rewarding for students to welcome parents into their space and show how much they have grown and achieved. However, we must show respect toward their hard work by watching quietly and attentively. Our teachers will invite you into the room for the second half of class. Please wait in the lobby until that time. Phones are to be silenced and only used to snap the occasional photo of your child. We also ask that you refrain from posting any photos that include children other than your own without consent from that child's parents. Please limit the number of observers who come to class to 2 per student.
